

Kentucky Center for School Safety

**Quarterly Report
January - March 2008**

**Submitted
May, 2008**

The quarterly report is divided into 5 major categories:

I. KCSS Work Plan (January - March 2008)

The KCSS work plan outlines each of the goals and activities of the Center as approved by the Board of Directors. The work plan includes a status update and related notations.

II. Summary of Meetings, Visits and Presentations

Staff of the KCSS document a summary of meetings attended, site visits conducted and presentations provided by all partner agencies.

III. Summary of Training Activities Provided

All activities sponsored or supported by the Kentucky Center for School Safety will also be tracked.

IV. Calendar of upcoming KCSS related events/activities

The KCSS will maintain a calendar of upcoming events. This calendar is posted at the KCSS web site for public review.

V. Financial Report

The KCSS financial report includes a summary of funds expended and percentage of total budget expended. The information is summarized by the following sub-categories: A. Personnel and Fringe; B. Operating and Training Expenses; C. Travel; D. Sub-Contracts; and E. Indirect.

**Kentucky Center for School Safety Work Plan FY 2008
Status Report for Period April - June 2008**

Goal/Activity	Status*	Notation

		<p>quarter.</p> <ul style="list-style-type: none"> • Thirty-seven assessments were coordinated and completed during the quarter October – December 2007. There are 44 assessments scheduled for the next quarter. • The Safe School Assessment Training for FY08 was held on June 7, 2007 at the Embassy Suites in Lexington, KY. There are 38 assessments scheduled for the next quarter.
Goal/Activity	Status*	Notation
V. Provide In-Kind Services for the Safe School Assessment Program	✓	<ul style="list-style-type: none"> • Three educators/KCSS staff members participated in safe school assessments during the quarter April - June 2008 as an in-kind service to the KCSS. • Fifty-nine educators/KCSS staff members participated in safe school assessments during the quarter January – March 2008 as an in-kind service to the KCSS. • Fifty-eight educators/KCSS staff members participated in safe school assessments during the quarter October – December 2007 as an in-kind service to the KCSS.
II. Goal: Produce summary reports of Center activities		
H. Submit quarterly reports to the Board of Directors	✓	<ul style="list-style-type: none"> • The quarterly reports for October - December 2007 and January – March 2008 were submitted to the KCSS Board of Directors at the 5/14/08 meeting. • The quarterly report for July-September 2007 will be submitted to the KCSS Board of Directors at the 1/16/08 meeting. • The quarterly report for April – June 2007 was submitted to the KCSS Board of Directors at the 10/24/07 meeting. The quarterly report for July – September 2007 will be submitted to the KCSS Board of Directors at the 1/16/08 meeting.
B. Develop and submit FY 2007 annual KCSS report to the Governor, Kentucky Board of Education, and General Assembly	✓	<ul style="list-style-type: none"> • The FY07 KCSS Annual Report has been completed and a copy was sent to Board Members in March 2008. • The FY07 Annual Report will be completed in the third quarter. • Work has begun on the KCSS Annual Report for FY07. The Annual Report will be submitted at the beginning of 2008.
III. Goal: Promote Interagency Collaboration		
D. Conduct semi-annual meetings of School Safety Advisory Council (SSAC)	✓	<ul style="list-style-type: none"> • The role of the School Safety Advisory Council is being revised for FY09. • A School Safety Advisory Council meeting was held on November 2, 2007 in Lexington, KY. • A School Safety Advisory Council (SSAC) meeting is scheduled for

*Status Legend (✓) Completed; (I) In Progress; (D) Deleted; (R) Revised; (N) No Action to Date; (O) Other
Italics – new or modified goal/activity; **Bold** – activity/notation for current period

		November 2007.
E. Provide school safety speakers upon request	✓	<ul style="list-style-type: none"> Section II of the quarterly report provides a detailed summary of presentations made by KCSS staff.
F. Conduct school safety related presentations, guest lectures and workshops at conferences, university lectures, collaborative meetings, etc.	✓	<ul style="list-style-type: none"> Presentations and collaborative meetings are listed in Section II of the quarterly report.
D. Continue participation in collaborative technical assistance initiatives with KECSAC, DJJ, DMH, and other various service organizations	✓	<ul style="list-style-type: none"> Section II of the quarterly report provides a detailed summary of collaborative meetings conducted in this quarter.
Goal/Activity	Status*	Notation
ADMINISTRATION OF FUNDS TO LOCAL SCHOOL DISTRICTS		
I. Goal: To facilitate the dissemination of funds to local school districts		
E. Facilitate the distribution of FY08 funds based on an approved formula and established criteria	✓	<ul style="list-style-type: none"> School Safety funds will be distributed to all districts in FY08 based on the approved formula of a base amount of \$20,000 with the remaining funds distributed on a "per pupil" basis based on 2006-2007 average daily attendance. Districts received funding notification in June 2007.
F. Provide technical assistance to districts receiving school safety funds	✓	<ul style="list-style-type: none"> Eight (8) technical assistance requests were received this quarter. Ten (10) technical assistance requests were received this quarter. Nine (9) technical assistance requests were received this quarter. Nineteen (19) technical assistance requests were received this quarter.
G. Develop and disseminate FY08 KCSS District funding report	✓	<ul style="list-style-type: none"> A summary of the distribution of safe schools funds in FY08 is available at the KCSS website. The summary includes the final allocation per district. The FY08 funding report was sent to districts in June 2007.
H. Profile in the KCSS FY07 Annual Report programs that are funded with Safe Schools Funds including alternative education settings	✓	<ul style="list-style-type: none"> The FY07 KCSS Annual Report has been completed and a copy was sent to Board Members in March 2008. The FY07 Annual Report will be completed in the third quarter. Work has begun on the KCSS Annual Report for FY07. The Annual Report will be submitted at the beginning of 2008.
DATA ANALYSIS		
I. Goal: To provide analysis of school safety data		
A. Publish and disseminate 2006-2007 Kentucky Safe Schools Data Report(s)	✓	<ul style="list-style-type: none"> The 2006-2007 Kentucky Safe Schools Data Report was published in December 2007. Data is being analyzed. Waiting on enrollment numbers to complete the report.
I. Continue to provide input to KDE to improve school safety data collection process (including case by case data collection)	✓	<ul style="list-style-type: none"> Discussions continued about how to improve efficiency of data sharing and collection.
J. Collect data from principals and superintendents participating in Safe School Assessments during the 2006-2007 school year to determine	✓	<ul style="list-style-type: none"> Report has been completed. Collection of data is complete. Data is being compiled and analyzed to

*Status Legend (✓) Completed; (I) In Progress; (D) Deleted; (R) Revised; (N) No Action to Date; (O) Other
Italics – new or modified goal/activity; **Bold** – activity/notation for current period

their perceptions of its effectiveness		be included in the report.
--	--	----------------------------

Goal/Activity	Status*	Notation
K. Explore research and funding opportunities with partners and other interested parties utilizing extant KCSS data	✓	<ul style="list-style-type: none"> A grant was received from the Kentucky Department of Juvenile Justice to provide assistance with examining disproportionate minority contact in Madison County. A grant was received from the Kentucky Department of Juvenile Justice to provide assistance with conducting the data analysis for the 2006 Juvenile Crime Analysis Report, analyzing data and writing reports for the Delinquency Prevention Councils in the state, and conducting a data analysis to examine Disproportionate Minority Contact in Kentucky.
L. Collect data as part of a three year follow-up study from principals and superintendents participating in Safe School Assessments during the 04-05 school year to determine their perceptions of its effectiveness	✓	<ul style="list-style-type: none"> Report is being finalized.
