

Assault

When student(s) or staff has been assaulted use the following guidelines:

❑ Staff observing the incident:

- Report to school principal the type and number of injuries and if assailant is still in area
- Give a good description of the assailant (clothing, height, etc.)
- Give location of the assault
- If assailant has left the building on foot give direction of travel
- If assailant leaves in a vehicle, give description of vehicle, license number and direction of travel
- Administer first aid, and get medical attention if needed

❑ Principal, Team:

- Call 911 if warranted, or notify school law enforcement
- Give type and number of injuries
- Advise if assailant is still in building or on the property
- Give description of assailant
- Give direction of travel and type of vehicle
- If threat still persists determine whether to initiate Lockdown
- Notify District Support Team, Central Office as appropriate
- Document actions and complete incident reports

❑ Additional steps for our school/facility (if any):

- _____
- _____
- _____
- _____
