Kentucky Association of School Resource Officers
Making a positive difference in the future of your children

Dear High School Counselor and/or School Resource Officer:

The Kentucky Association of School Resource Officers (KYASRO) is offering multiple \$500.00 scholarships for post-secondary education to seniors. Students are nominated by their School Resource Officer (SRO) based on the students contribution to safety or crime prevention in his/her school on the application on our website provided below. It is suggested that SROs collaborate with their high school counselors and other school administrators/staff regarding qualified applicants. The scholarships will be announced prior to the June 2012 KY Safe Schools and Communities Conference in Bowling Green, where the scholarships will be presented.
